Muzrai Department

Sir,

Adverting to Diwyad official memorandum No 1034 dated 9th April 94, forwarding petition received at the Dewan's office from Ayyanabhattra Ramanna and others residents of Hassan, on ent repairs to the Virupakshesvara and Halladda Rameswara Temples for report as to whether the Temples are under Muzrai management and whether the petitioners are willing to contribute a moiety of the estimated cost of repairs, I have the honor to submit herewith Muzrai officer's Yadi No 110/278 dated 25th August 1894 and its enclosures. From this it will be seen that the Temples under reference are under Muzrai management and that the devotees are incapable to contribute any more

than what they have already Contributed viz
Rs 399-14-0 Vide this office No 1410 of the 15th June 1889.
They pray therefore that the balance of the Estimated
Cost may be borne by Government and the Temples
put in repairs. That the Temples are of great anti-
quity and need thorough repairs, have already
been brought to the notice of Government in this
office No 305 of the 1st August 1891. –

I have the honor to be
Sir

Sir,

In reply to your docket No. 67 Dy 9th July last, pointing out certain discrepancies in the measurement list of work done towards the repairs of the Sri Virupaksheswara Swamy's temple at Hassan, I have the honor to state that the discrepancies were due to over sight. Up to date the work done amounts to Rs 629-11-6 as per bill herein enclosed, of which Rs 367-4-4 have already been adjusted and the balance viz Rs 262-7-2 remain unadjusted under advance.

The work has also been inspected

General No. 858
Muzrai F. No. 32-94
Enclosure No.

His No 614 dated 31st Dec 96 submitting three Measurement ~~Lists~~ Bills of the works executed towards the repairs of the Sri Virupakheswara Swamy temple at Hassan.

Has the honor to state that on checking the Measurement Bills, it is observed that the corresponding entries in the several ~~Lists~~ Bills do not

from the same no. 826 of 10-3-97.

tally with one another. The discrepancies noted are detailed below; the bills being marked A. B. C. respectively for purposes of easy reference:-

(i) Taking the first Bill marked A, the total measurement value of work done up to the date of the Bill is Rs 444-1-5; towards this, Rs 377-4-0 have been paid, thus leaving a balance of Rs 76-13-1 due. The amount of payment on the bill is noted to be Rs 60-12-1; and there is thus a balance of Rs 16-1-0 still due (and not Rs 6-0-0 as noted in the Bill); ~~but~~, this balance is not noted, (as it should be), in the next bill marked B, under the head "arrears brought forward"; nor has it been brought ~~forward~~ into account anywhere later on.

(ii) Coming to the next Bill marked B, the outstanding balance of arrears of Rs 16-1-0 due on the previous bill has not been taken into account, under the head, "arrears brought forward". A sum of Rs 90-2-7 has been noted as paid on the bill against Rs 91-2-7, the value of work done as per the Bill. The short payment of one Rupee ~~of course~~ is readily explained by the note recorded

the excess payment of a Rupee on previous bills; but a remark to this effect should have been recorded in the Bill.

(iii) Lastly coming to the third Bill, marked C, it is surprising that against the head "arrears brought forward", Rs 90-2-7 has been entered, and the subsequent figures worked out with reference to that amount. The actual amount of arrears due is Rs 16-1-0 as explained supra and the figure "Rs 184-10-1 noted against the entry, "Payments now made" is therefore inexplicable.

2. For reasons explained above, the Measurement Bills submitted cannot be accepted and passed on to the Comptroller

57

They are accordingly returned herewith. The Dy ~~~~~ Comr. is requested to have one Bill accurately drawn up for the consolidated amount of the 3 Measurement ~~Lists~~ Rolls in question, ~~Therein~~ noting the several advances drawn by him and remaining to be adjusted, and submit the same as early as possible for transmission to the Comptr.

Deputy Commissioner's Office
Hassan
Dated 19th March 1900

From

The Deputy Commissioner
Hassan District.

To

The Secretary to the
Government of Mysore
Revenue Department.

Sir,

With reference to the Government Proceedings noted in the margin,* sanctioning estimates amounting to Rs 986/- for repairing the Sri Virupakshesvara temple at Hassan, I have the honor to state that, the Amildar of Hassan Taluk reports that, out of the sum of Rs 429-14-4 (Rs 399-14-4 + Rs 30-0-0) being the contribution promised by the devotees and referred to in the two Proceedings above quoted, a sum of Rs 133-14-9

has

* Fin. Sec. No. 736-7 dated 18th March 1895 sanctioning estimate for Rs 986/- for repairing the Sri Virupakshesvara temple at Hassan.
Revenue Department No. 491-2 dated 16th October 1895 — do — Supplemental estimate for Rs 715-5
Fin. Sec. No. 1127-11 dated 19th March 1900 — do — for Rs 986/-

has been recovered and the rest namely, Rs 295-15-3 is irrecoverable as some of the devotees are not willing to pay and others (who simply promise to pay) do not really pay though demanded many a time. But the repairs have been completed and the full amount has been paid to the Contractor.

As much delay would result in the submission of the completion bill if further reference is made to the Taluk, I here with submit the Completion bill for Rs 978-- being the actual amount of work done to the building, in question and to request that the same may be sanctioned and forwarded to the Comptroller for adjustment of the outstanding advances noted in the list attached to the bill, the deficit of the promised Contribution being met from the State Grant of Rs 15000/- allotted for this year, any further attempt towards recovery of the balance

7 Words struck off as proposed by the Comptroller in his letter dated 9th Dec. 1926

circumstances of contribution seems futile.

The contribution, if received, will be credited to the head from which the amount in question has been sanctioned.

Necessary papers pending with Assam Public Accounts Report No. 68/646 dated 8th February 1900 are herewith submitted for reference and kind return.

I have the honor to be,

Sir,

The total amount sanctioned in the two Government Proceedings read above for the repairs of the Sri Virupakshes-wara and Kallada Rameswara temples is Rs 1671, of which a sum of Rs 429-14-0 having been promised to be paid by the devotees of the institution the balance, namely Rs 1241-2-0 was ordered to be met from Punyai funds. But the Dy Comr now reports that each of the Contribution of Rs 429-14-0 promised by the devotees, only a sum of Rs 133-14-9 has been actually paid by them and he now reports that as there is no probability of the remaining amount of the Contribution promised being realised, namely Rs 295-15-3

being hereafter actually recovered, the same may now be sanctioned from the State Grant of Rs 15000 ~~has~~ provided for the repairs of Mukhai buildings in Govt Pro No. 1083 Revn 7 105-92 dated 29th March 1899 as the works in question have been already completed as per Estimates sanctioned by the Govt. This proposal of the Collector is sanctioned.

~~2. If these circumstances, the Dy Collr recommends to which the Executive Engineer by the Executive Engineer of the Dy Collr is sanctioned.~~

Memo

Letter No. 305/9 dated 1st August 1891 from the Dy Commr, Hassan Dist.

The previous records show that two estimate amounting to Rs 1400/ as particularized in the margin for the repairs of the Virupakshèswara and Hallada Rameswara temples at Hassan had formerly been submitted for sanction, that the devotees of the temples have agreed to contribute only Rs. 399-14-. for the repairs that the temple of Virupakshèswara has a balance of Rs. 184-5-10 available at its credit, that the Dy Commr proposed that the remaining amount viz Rs. 815-12-2 might

× Virupakshèswara Rs-A-P. 715-0-0
Hallada Rameswara 685-0-0
Total 1400-0-0

met
might be from the
available Surplus
and Hors ahead funds
of Rs. 815-12-2 at the
credit of the other
temples in the Hassan
Taluk, that the two
temples now in question
are noted for their
antiquity & local im-
portance, that, in
reply, the Dy Commr's
was informed in this
office Docket No. 4396/132
dated 31st July/90 that,
as the temple funds
were not sufficient,
the estimates sub-
mitted could not be
sanctioned and that
the devotees might be
induced to contri-
bute what was required,
that the question of
executing repairs to
these temples was
again raised by

by the Representative Assembly of the Dasara Meeting in October last - that the Dewan replied that if the temples were of more than local importance a small grant could be given from the general Muzrai Endowments Funds and that the Ry Commr might be asked to report in the matter.

2. Accordingly the Ry Commr was called upon to report and he now reports as follows: ——

"The temples in question are of great importance and antiquity. Kalladka Rameswara Swami is an "Adbhavamurti" having a large number of devotees in the Dist and

and special homages
are paid to the Swami
particularly during
adverse seasons
and when the rains
fail. The Swami
is held in great
reverence by the
devotees as a deity
vouchsafing the
blessings they pray for.
The temple of Viru-
paksheswara Swami
is of equal importance
and antiquity. I think
I need not mention
here what repairs
are required and
how the cost has to
be met, as I have
already explained
these points in the
reference above
noted. Hallada Ra-
meswara was
granted a land
Inam of Rs. 8-11-8
which

which was resumed
in the Inam sette-
ment on the ground
that the temple was
out of repair. The
restoration of the Inam
is now contingent
on the temple being
repaired. There is
no paid Pujari in
the temple but a
Brahmachare
named Vyadyalingam
from Hassan is per-
forming the Puja en-
tirely depending on the
charity of the town
inhabitants. He has
collected the Puja uten-
sils from subscription.
His Holiness the Sringeri
Guru performed the
Puja on the 16th ultimo
before he entered the
town of Hassan. Under
the above circumstances
I beg to recommend
strongly that sanction
may

maybe accorded to
put the temples in
thorough repair
and to restore the
Inam resumed."

3. The registers of this
office show that the
temple of Virupakshe
-swara has a Saddik
allowance of Rs. 43-4-0
per annum from
Govt. The Muzrai
Returns received
lately from the Hassan
District show that
the temple of Viru-
pakshéswara has
now a sum of
Rs. 198-6-8 avail-
able at its credit as
specified in the margin
and that the Surplus
and Hos-ahead funds
available at the
credit of the Hassan
Taluk at the end of
June/91 amount to
Rs. 3395-4-3 as

+ Surplus Funds Rs-A-P.
149-12-3

as particulars given below —

	Rs-A-P.
Surplus Fund	1615-7-8
Kosahead-do	1779-12-7
Total	3395-4-3

4. In the last Assembly Speech the Dewan replied that only a small grant can be given from the general Municipal Surplus Funds

5. Under the instructions laid down in the late Chief Commr's circular No. 4 dated 3rd Octr/71 and his Proc: No. 5222 dated 861 17th Octr/74, it is binding on the part of the temple managers and the communities interested in the preservation of the temples to contribute at least a moiety of the estimated cost of repairs and unless it is certified that such moiety of cost has been duly

duly recovered and credited to Government sanction cannot be accorded to the withdrawal of temples

6. The Municipal Surplus and Works-ahead funds available at the credit of the Hoshiarpur District at the end of June 1891 amount to Rs. 48,299-6-2 as noted below:—

Sir,

I have the honor to submit for the favorable consideration — two estimates amounting to Rs 1400 — for the repairs of Virupaksha Eswara and Hallada Rameswara Temples situated in the Town of Hassan — The devotees of the Temples have agreed to contribute Rs 399-14- — towards

towards the repairs.

2. There is a sum ——— of Rs 184-5-10 at the credit of Virupakshéswara Temple leaving a balance of Rs 815-12-2 to be met from other sources.

3. The Amildar reports that this sum can be met from the available amount at the credit of other Temples in the Taluk.

4. The devotees who are the inhabitants of Hassan very strongly urge the repairs of the 2 Temples (as will be seen from their petition herewith enclosed) on account of their antiquity and local importance.

5. The Amildar confirms their allegation and supports their prayers.

6. Considering the importance attached to the up-keep of the Temples by the devotees, who have manifested their desire by contributing willingly the sum of nearly Rs 400, I am of opinion that the request of the devotees may be complied with by the grant of available balance (after meeting the requirements) from the surplus and management funds (as per list enclosed) of other Temples in the Taluk.

7. If this is not feasible, I recommend that the amount may be sanctioned from the General savings as it would be a great pity to allow a Temple of antiquity
situated

situated in the centre of the Town,
to go to ruins for want of help
under circumstances stated.

8. The vernacular papers together
with the estimates &c: received
with Hassan Amildar's report
No: 4 are herewith forwarded
for needful reference and
obliging return.

Subject No. 116.
Repairs of certain Temples in Hassan.

Summary of discussion.—The temples of Virupaksheswara and Hallada-Rameswara in Hassan are in dilapidated condition. The question of executing repairs to these buildings was raised in the last year's meeting, when it was ordered that due consideration would be given. Orders are solicited for their early repairs, as they are deteriorating.

Dewan's reply.—If the temples are of general, *i. e.*, of more than local, importance, a small grant can be given from the general Muzarayi surplus funds. The Deputy Commissioner will be asked to report on this matter.

Sir,

With reference to Government Progs: no: 4069/115 of the 8th instant, regarding the repairs to be executed to Viroopakshéswara and Halladaréswara temples at Hassan, I have the honor to invite your attention to this office no: 140 of the 15th June 1889 and your reply no: 4396/152 of the 5th August 1890 thereto. The vernacular records relating to the subject are herewith re-submitted for reference.

2 It will be seen from them that

the temples in question are of great importance and antiquity. Hullada Rameswara Swami is an "oodbhavamurti" having a large number of devotees in the District and special honours are paid to the Swami particularly during adverse seasons and when the rains fail. The Swami is held in great reverence by the devotees as a deity vouchsafing the blessings they pray for. The temple of Virupakshéswara Swami is of equal importance and antiquity. I think I need not mention here what repairs are required and how the cost has to be met, as I have already explained these points in the reference above noted.

3. Hallada Rameswara was granted a land Inam of Rs 8.11.8 which was resumed in the Inam settlement on the ground that the temple was not of
